

Live in the Heart of the Montana Hi-Line!

Needed: Retired Pastor-in-Residence

Would you like to have an authentic rural Montana experience?

Do you need a break from city life?

Are you looking for a meaningful short-term ministry opportunity where you could make a long-term difference?

Are you looking for a place where you'll have peace and quiet to write a book or explore a contemplative spiritual practice?

Glacier Presbytery is looking for a retired pastor who would like to serve a wonderful congregation for a period as their Pastor in Residence.

Havre First Presbyterian Church is a small congregation (30 members) located in the agricultural and railroad community of Havre, MT (pop. Approximately 10,000). It is also the home of Montana State University Northern, and the county seat.

Havre First Presbyterian Church would love to have you serve as their Pastor in Residence. We request that your ministry be for a one-year commitment.

Come serve the Havre congregation and enjoy a rural, laid-back way of life while still enjoying the conveniences of the city. There are many things to experience. The town is chock-full of history, from dinosaurs, to modern railroad; with a buffalo jump, an underground museum, and an Army fort full of cavalry soldiers nestled in between. Home of the largest county park in the nation, bird and wildlife watching, hiking, snowshoeing, boating, skiing, fishing, golfing and hunting are only

minutes away. Havre has a shopping mall, library, bowling alley, movie theater and collegiate sports teams. Medical facilities are available, a small airport in Havre has connecting shuttle services to Billings, MT and the Amtrak passenger train stops in Havre with services to the northern tier of the country.

Come serve the Havre congregation if you would like to experience authentic, rural Montana life and people. Come serve the Havre congregation if you are seeking quiet and solitude to write a book or to explore a contemplative spiritual discipline.

It is our hope that you will leave refreshed and knowing you've made a difference.
