THINKING ABOUT MEMBERSHIP?

January, 2012

Dear Friend,

For BCA, 2011 was a year of successes – not just for our community of artists, but especially for our audiences, active learners and participants. We produced traditional and new programming in a number of different arts disciplines that were enjoyed by novices and experts alike, superb appreciators and amazingly creative children.

We simply could not have done so much for so many without the continuing generosity of our members. Look at what you have helped us accomplish!

Individual Artists: Located in our own studio space and Open Studios throughout Bedford • **Public Art:** A cultural council grant • **Photography:** BCA's monthly photo group and shows • **Creative Writing:** A book launch party and a poetry evening • **Dance:** Chuck Frates' troop entertained at BCA's Annual Meeting • **Youth Art:** 3rd Friday Crafternoons, Jerry Christen Scholarship and the Bedford Day pan pipes project • Support for the **Special Needs Arts Program** • **Drama:** monthly play readings • **Film:** Thursday night *Flix* • **Fiber Arts:** Loom with a View lecture

Please accept our appreciation for your past generosity. As we look forward to the new year, BCA is planning for the coming season of arts programs. Your continued membership will be enormously helpful for the next successful year and accordingly we will be grateful for your renewal as indicated on the form below.
