

Don't Flip Flop on Sandy Bill of Rights!

The [Sandy Bill of Rights](#) was passed unanimously in the New Jersey Senate and Assembly with widespread, bipartisan support but was [conditionally vetoed](#) by Governor Chris Christie. Despite voting in favor of the bill, some legislators are now [flip-flopping](#) their position. **Sandy survivors deserve better!**

Join the "Don't Flip Flop, Vote to Override" Campaign!

TELL LEGISLATORS: "FLIP FLOPS BELONG ON THE SHORE, NOT ON THE SANDY BILL OF RIGHTS! DON'T CHANGE YOUR VOTE, OVERRIDE THE GOVERNOR'S VETO AND SUPPORT SANDY SURVIVORS!"

Here's just some of the rights Sandy survivors would have under the "Bill of Rights":

- The right to a plain language explanation of the application process for any recovery funds;
- The right to know why an application is rejected and to appeal that rejection with a specified timeframe;
- The right to know current status of an application and position on any wait list;
- The right to have funds distributed fairly.
